

# Living Now Book Awards

## 2018 guidelines & entry form – “books for better living”

We've all heard the expressions, “This book changed my life!” and “Changing the world, one book at a time.” The Living Now Book Awards are designed to honor those kinds of life-changing books, and to bring increased recognition to the year's best lifestyle, homestyle, world-improvement and self-improvement books and their creators. We all seek healthier, more fulfilling lives for ourselves and for the planet, and books are very important tools for gaining knowledge about how to achieve these goals for ourselves, our loved ones, and for Planet Earth.

The purpose of the Living Now Book Awards is to celebrate the innovation and creativity of books that enhance the quality of life, from cooking and gardening to spirituality and wellness. The awards are open to all books written in English and appropriate for the North American market. Winning a Living Now Book Award brings recipients the credibility and publicity they need to further their book marketing and sales success.

Lifestyle publishing categories such as home, family, health and personal development are the fastest-growing segments of book publishing today, and the Living Now Book Awards help demonstrate the importance of these books to readers and their vitality in the marketplace.

### how to enter

Note: the contest is for finished books only, as we judge on cover design, layout, etc. Entry is fast and convenient, either through our online entry site or with the attached printable entry form. Online entry requires using a credit card; mail-in entry requires paying by check or money order in U.S. funds. We require two judging copies of the book for each category entered.

### who can enter

Authors and publishers around the world who write and publish in English may enter. Books with 2016-2018 copyrights or that are released between October 2016 and July 2018 are eligible. Books published since 2000 are eligible in the five Evergreen Medal categories. Authors whose publishers decline to enter may enter their books themselves. Ebooks are eligible and are judged in the various categories alongside print books. Each year we have entrants – and winners – from long-established publishers and first-time self-published authors.

### evergreen medals

Seventeen years into this new millennium, we include the Living Now Evergreen Book Medals, in five categories, to commemorate books published since the year 2000, for contributing to positive global change. Entry fee is the same as the other contest categories -- the main difference is that books published since the year 2000 are eligible. Our purpose is to identify truly world-changing books and bring them further recognition and exposure. Note: books published prior to October 2016 are eligible in these five Evergreen categories only.

# 2018 Living Now Book Awards Guidelines

## what does it cost?

The first early-bird entry fee is \$75 per title, per category, increasing to \$85 from January 28, 2018 to April 28, 2018, and then \$95 from April 29, 2018 until the final deadline of July 7, 2018. Enter one book in one category for a single entry fee; enter one book in two categories, pay two entry fees, etc. (Sorry, no discounts for multiple title or multiple category entries.)

## why do we charge entry fees?

We charge entry fees to pay for administering the awards, including everything from the electricity and storage space to personnel and judges' fees, plus postage to mail books to judges and other expenses such as designing medals, award seals, and advertising materials to promote the results.

## what do winners receive?

Gold, silver, and bronze medals will be awarded in each category. Each medal-winning book receives a packet including the medal, a certificate, 20 foil award seals, and awards marketing material. The award is designed as a marketing tool, so we hope the most valuable aspect of the award is in its promotional value and as a book sales stimulator.

## what do I send in my entry package?

Please send two copies for each category entered. When entering a title in two categories, send four copies, etc. The final step of the online entry process is printing out a registration receipt and mailing instructions; please include your online registration receipt or a completed entry form with check in the same package as the books, preferably tucked inside the front cover. You need not send any marketing kits, reviews or any other supporting material, as our judges are not allowed to see anything but the book itself. To submit an ebook, send as an email attachment to [awards@bookpublishing.com](mailto:awards@bookpublishing.com) with "Living Now Ebook Entry" in the subject line. Send in EPUB, MOBI, or PDF format and include book title in the file name.

## judging process

Judging will be based on content, originality, design, and production quality, with emphasis on innovation and creativity. Our judging panel includes experts from the fields of editing, design, reviewing, bookselling and library. Three to five medalists per category will be named on about August 23, 2018.

## contest deadline

All entries must be posted online or postmarked by July 7, 2018.

## contest entry confirmation and updates

We will confirm your entry via email, and send judging updates and results announcements by email as well. Please inform us of any email address changes or additional contacts you'd like added to our contest update list.
